

Disciple Now (DNow) Weekend is a student ministry event for **7th-12th grade students**. It will feature corporate worship and small group Bible study.

At DNow, we will emphasize evangelism, discipleship, Christian fellowship, missions, and recreation. In corporate gatherings, students will be spiritually challenged and encouraged by our guest speaker and worship leaders. In host homes, students will be led by trained young adult leaders.

Our goal is simple: We are seeking to make disciples and grow disciples.

The Bible clearly teaches that discipleship is more than going to church, wearing a Christian t-shirt, listening to worship music, or even attending a DNow weekend. Discipleship is what happens when a person surrenders everything to Christ. It is a journey that involves every aspect of life. The theme of **DNow 2019** will be **commUNITY**. We want the students to know that they are a part of God's family and that we are all called to live in **commUNITY** with God and others. We are asking God to move in the heart of every participant. We are praying for God to create within us a lifestyle of authentic discipleship that affects our everyday life.

Speaker | Logan Lamb

Logan has an incredible wife named Blair, an incredible son named Theodore, and an incredible Savior named Jesus. He loves to play basketball, read, travel, and play video games. He is the youth pastor at FBC Corsicana and adores youth ministry while preaching and teaching about Jesus! Logan has a passion for students and says "Even though I fail miserably at it quite often, I do my best to love and live like Jesus in everything I do."

Worship Leaders Faith Hearn & Patrick Bohmfalk

Patrick is a senior at Texas State University and is studying Theatre Performance. He likes to act, play music, ride his skateboard and make things with his hands.

Patrick started leading worship when he was only in 7th grade and has done it ever since. "I like to sing songs and play music, so the fact that I can do that in a way that brings glory to my Father and leads people closer to him is what keeps me going!"

Faith is psyched to be back at Gonzales D-Now for a second year! She is a senior at ACC in Austin studying sign language interpretation. She loves people and hates frogs. Her greatest talent is sounding just like the "chocolate lady" from SpongeBob."
